BIG BEN IN THE HOUSE

I've been visiting my grandparents in the Wembly area of London. They live in a modest flat about a half kilometer from the new stadium. I have been visiting them for the last ten years or so after I graduated high school. I passed on college to travel Europe and get my education that way. They have asked if I wanted to live in London, but I said I didn't know yet. I really like it here, except for all the gloomy weather. I think the far South of France has the best weather.

I love seeing them, and they've been very hospitable to me. Grandma cooks almost every night and Grandpa tends his modest little garden on the balcony of their flat. I've made some friends here along the way and have even had a short relationship with this cute 'bird' I met at a pub. The Baller's Pub's the all-around meeting place for locals as well football fans when there's a game or other event in the stadium. I have to admit, these Brit's really do love their beer and ale here and I'm constantly astounded at how much of it they can put away.

Tonight is another Saturday night and I don't know what I did all night. That's because I'm finding myself in a hospital bed, dazed and confused. There's an IV in my arm and a bunch of bandages all over what I can see of my body. There's a remote control device next to me, one of those plugged into the wall to call for a nurse and control the TV. I have no idea what I did to deserve being here.

I decide to press the call button and a nurse comes into the room a few minutes later. She says, "Hi there, can I help you?" I say, "Where am I? What happened to me?" The nurse comes over, fiddles with the machine I'm hooked up to and stands over me at the foot of the bed. She reaches for the clipboard with my charts on it and reading from it says, "Ben, your at the Wembly Medical Center. You were in an automobile accident. You have a concussion, lacerations and some internal bleeding. Looks like you'll be here for a while." she says.

I look around the room and see a clock reading three am. Not knowing what to say next, I blurt out, "Do my grandparents know I'm here?"

"Yes," she replied. "They were here a couple hours ago when they realized you had not come home and they called around some hospitals, they said. The doctor told them to go home after they saw you, and to come back in the morning."

She smiled at me and adjusted some of my bandages and bed sheets. Trying to lighten my anxiety, I whispered "What's a pretty bird like you doing at a place like this?" She giggles and says, "I'm the night nurse. My name is Agnes and I'm here to help people like you in their time of need. So is there anything more that I can do?" Not knowing how to respond, I say jokingly, "How about a little kiss?" She smiles, then leans forward and presses her lips on mine for a few seconds. I'm dumbfounded. I didn't think she would do it, nor was I expecting it.

The best I could hope for was for her to walk away and not report me. When she leans back, I say, "Nice, I didn't think you'd do it." She replies,

"Studies show that patients who get sexually stimulated heal faster. So if I can help make you heal faster, I'm glad to help." Emboldened, I grab her hand saying, "Well, do you wanna heal me some more?" She smiles and nods, then leans forward and kisses me again. I kiss back and her tongue finds it's way into my mouth. My hand weaves it's way behind her and cups a buttcheek, pulling her a little closer. I find her waist band. I slide my hand into her pants and begin massaging her butt.

Agnes pulls my hand out. She straightens up and smiles whispering, "I'd like to fuck you, but not tonight. You need to heal. So no hands under my clothes. You can feel from outside. Now back to our healing process." Suddenly her cell phone goes off spoiling the mood. She puts my chart back and running out the door. I try to remember the car crash, but nothing's coming. I don't even remember getting in a car. I decide to just kick back and try to get some more sleep. Six am rolls around when Agnes comes in my room.

She sits on my bed, then flops down and lays next to me, laying her head on my shoulder. She says, "Sorry about running off. They needed every available nurse in the ER. But the chaos is over and I'm off now." I wrap my arm around her and say, "You look exhausted Agnes." She cuddles into me, "Totally. I'm too tired to even drive home. I don't wanna go back to that empty flat right now anyways. Can I just sleep in here until my next shift?" I turn on the TV and let it lull me to sleep, too.

An hour later the door opens loudly to the doctor walking in. He looks at the two of us and says, "Nurse Agnes, this is not a hotel room!" The doctor tells me what is wrong with me. I have to stay for at least five days so they can keep an eye on me. He leaves. I then notice a phone number written on the napkin on the table next to the bed. I find my cell phone and call the number. She answers the phone, "I was just sitting in nurses lounge until he goes away. I'll be there when coast is clear. Bye." A few minutes later I hear the door open again, Agnes slips into my room and quietly closes the door. She smiles. I haven't really given her a good looking over, but she's beautiful. Young, ivory skin, large brown eyes, a perfect body, I think, hidden under those scrubs, and a smile that will melt your heart.

I make a half-hearted attempt to sit up in the bed, but a huge pain shoots through my chest. Nurse Agnes gently feels the area and says, "It seems to be healing better than most injuries like this do in one night. My treatments are working, but you can really hurt yourself if you move too much, so I'm sorry, we can't do anything for a while."

I put on a sad face and she gently bites my lower lip, then kisses it. She lays next to me gently, saying, "I really need to sleep, so g'night. Please wake me up before the doctor comes again."

I wake up first, but Agnes is still sleeping. I turn off alarm and wake her by kissing her repeatedly. She wakes up with a smile, and mumbles, "I wish I could wake up to that every time." She sits up and looks at me, thinking. She says, "OK, we can date, but on one condition." I nod and she says, "The sexual healing wasn't just a pick up line. I really do think it works. So as long as you can live with me healing others like this, then we can date. I kiss, make out, screw, but nothing after they leave hospital, and no romance in it."

I reluctantly agree. "I can't ask you to stop doing what you do. But do try to keep it to just healing and not for fun." She nods and kisses me, then leaves to start her shift. I spend most of evening recuperating, watching TV and eating dinner. I fall asleep around nine and wake up to Agnes laying next to me again.

She says, "Morning Ben. I'm going to start that healing process I told you

about, but you can not tense up at all. Just relax and let it come. Don't hold back but no bucking; just enjoy and relax." I nod and she licks her lips and kisses me. She gets up from the bed and goes over to the sink. She prepares for a sponge bath and returns to the bed with the soapy pan and washcloth. She pulls down the bed sheet, then my boxers. She wrings the cloth and begins to rub it around my crotch area. She gently cleans the area being sure to get down between my legs and balls, working the washcloth back between my buttocks.

I stiffen at her touch and that seems to make her job of washing my cock a bit easier. She finishes by rinsing me with cool, clean water and takes the pan back to the sink. Returning to the bed, she sits on the edge and then begins to rub my dick to get me harder. First with one hand doing long tight strokes and then adding the second to make it firmer. She slips the second hand down to my balls and begins fondling them. Soon I'm at full erection and Agnes smiles and says, "That's quite a cock you got there. I'll call it Big Ben." Then she giggles.

Then she lowers her head down to start lick the head of my cock. Her tongue works its magic up and down my shaft. She is sure to make eye contact with me, smiling at me as her head bobs up and down on my cock. I watch as her tongue swirls around the shaft and her hands continue stimulating my balls. Her mouth replaces her hands on my balls and she sucks one into her mouth. I feel her tongue address it gently and then she slurps the other into her mouth. She repositions herself between my legs with both balls in her mouth and her hands stroking my cock up and down as she fixes her gaze on me. I can't believe this is happening, but I try to keep it together so as not to pop any stitches or my load this quickly.

She then rises up and takes my cock back into her mouth. Starting at the top with a tight pucker, she lowers her head all the way down my cock, taking the last inch in slowly working her tongue out of her mouth to accommodate it all. I'm amazed at her deep throating skills and getting closer and closer to cumming. She stays down there another thirty minutes giving me the longest and absolutely best blow job I ever had. I moan out that I'm ready to cum and she slows the pace, subtly telling me that I should cum in a relaxing style orgasm that makes my body go numb – and then I cum. Half a dozen jerks later I empty my load deep into her mouth and she holds her mouth over my cock, swallowing almost every drop of it. Agnes then drinks from her bottle of water. She lays next to me and whispers, "You taste great, Big Ben. I have to get some sleep now, so when I return tonight from my shift, it's my turn so you're going to have to do me."

There's hot, sexy, pussy all over the world. This month we bring you three more fabulous MILFs who look sweet on the outside yet, horny and nasty on the inside. Sometimes they will cook, but most of the year they're ready to fuck. Their sexual appetites are insatiable.

VELVET

ANNY LEE

*Can you
tell which country
our sexxy cuties
are from?*

HOLLY

Our neighbor to the north has some fine looking ladies and Velvet is one of them that we

would have warming up next to our fireplace anytime, telling us stories about Mounties.

Brazilian babes are best known for their teenie-weenie butt-baring bikinis on Copacabana

Beach. We found out many of them love anal sex. We asked Anny Lee and she said "Sim!"

HOLLY

From the land of stiffupper lips, we see many birds who give us the stiffies. We are constantly

surprised at how sexual these ladies can be. So we gave Holly a hard cock and said "Show us!"

GILLIAN

OPEN VIDEO

My girl and I are both in sales and travel a lot for work. Right from the beginning, we decided that an open relationship was going to be best for us because there were times when we might not see each other for weeks or even months at a time.

You see we work for an international conglomerate with offices in 14 countries. For only the second time, our assignment took us to the same country and the same city, Dublin. Each of us had been there before and managed to make a few friends in the local office and at the pubs.

One Friday afternoon, she texted me asking if I had a date that night, and when I said I did, she didn't reply right away, and made me a little nervous. But we had specific rules, and she didn't do anything that told me not to go ahead, so I pressed on, meeting

up with my date in the park.

My date that night was gorgeous. Flowing dark hair, tall, with legs that just seemed to keep going and going. We'd been out a couple times, and after grabbing some dinner and drinks in the hotel lobby, we made it back up to the hotel room and started making out at the door.

She moved to the bathroom, and I pulled out my phone, seeing a message from my girl asking me to call her with our codeword. I swallowed hard and wondered if I was finally in some trouble but went ahead and called her to see

what was up.

When she answered, she moaned loudly, and I had to pull the phone away to realize she was on video. With a huge dick in her mouth. She wanted to show me hers if I showed her mine.

It'd been so long since I felt her lips or her tongue, it was easy to pretend that it was her mouth there now, watching as she toyed with her date. It was crazy. I looked back to the bathroom, not expecting this, and pretty sure the girl in there wasn't either. But when she pulled the phone back, lowering her huge tits to play with

the dude's piece, I was sold.

She made me leave the phone on, made me ask the girl with them right there, watching and taunting. My girl still had on my favorite black lace panties, but she was letting the guy play with them, teasing to slide them off.

Standing there, date in front of me, still clothed, with my girl and some dude in the background ready to go, it was like the longest moment of my life.

Until my date told me we better catch up. I couldn't help it. I grinned and ripped my clothes off, dashing over and ready to do the same to my date. We set the phone up to face the bed, with me and my girl able to watch each other. This will be the first time we had four-way phone sex.

As soon as we were on the bed, my date went for my swollen cock. Mouth wide open, she took it balls deep and slowly drew it out, leaving behind a trail of

juice. I moaned, watching as my girl was doing the same thing to her date.

It was like they were in sync with each other, the way they played with our dicks. I didn't have to think about the girl in front of me, not that she wasn't hot or good, but my own girl had all my attention. I watched her as my date made me feel good. She moved up and grinded over my aching crotch, swirling around in her panties that she was still refusing to take off. It wasn't until I made a move, until I reached up to pull off my date's underwear that my girl let her date do the same thing.

As soon as my date freed herself from my cock, she lowered her ass on my lubed cock. I threw my head back, so turned on that I almost shot right there. I heard my girl on the phone, like a distant voice, but one watching me, telling me to hold it in, to enjoy it.

I did.

I flipped my date over and took over, shoving my cock deeper in the hole she gave me, letting her moans and screams fill the room, and the phone. The look on my girl's face told me she was loving this as much as I was. When I finally couldn't take it anymore, I pulled my dick out and shot all over my date's face, making sure my girl could see, and watching as she let her date jizz all over her.

My awesome date and I fucked all over the hotel room, staying on the phone all night. I don't know if I'll remember my date's name, oh yeah, it's Gillian, but I'll always remember how she made me feel, and how she opened the door to a whole new experience for me and my girl, one that brings us close together even when we're far apart. I can't wait for our next assignment. We may have to try this phone thing again!
